Re: Dowling Catholic High School Post Prom - May 12, 2007

Dear Keith:

On behalf of the Dowling Catholic High School Post Prom Committee, I'd like to thank you for your help in making our post prom party a great success. For novices in this field of entertainment you help us select appropriate games/toys for the high school juniors and seniors. You worked within our budget and with our schedule and your staff delivered on time and they were courteous and easy to work with.

We also want to thank you for the engaging the services of the hypnotist, Rick Bultez. He was the hit of the party and his performance was perfectly suited to our high school age audience. He easily connected with the students who were completely entertained during the entire performance. He was careful to design the performance to be appropriate for a Catholic high school environment even taking steps to check with the committee to make sure certain material was acceptable. We would definitely request Rick Bultez again for future events at our school and would highly recommend him for any type of audience.

Thank you again for your services and we hope to be able to work with you again in the future.

Sincerely yours,

Ginny Satterstrom
