Dear Rick,

We would like to thank you for an outstanding show at our Owner's Day on October 10. The show was very appropriate for a corporate event and the most entertaining event we have ever had. A week later people are still sending positive emails and talking about the show, many saying they haven't laughed so hard in a really long time. By sitting thru the first part of our program, you were able to work many opening jokes pertaining to our organization and employees into the skit.

Being in charge of this year's event, I know I couldn't have come up with better entertainment and know next years committee will be hard pressed to beat it.

I wouldn't hesitate to recommend your show to any group wanting a reference, and have in fact suggested it to our local high school for a post prom event in the future.

Thanks again for making our Owners Day 2007 such a big success!
