Dear Rick:

We cannot rave enough about the act.

First off, everything that was discussed about the act during the negotiation was on the money! How often does that happen? It was comedy, hypnotism, and an evening of full-on entertainment all the way around. You adapted to our entertainment venue with no problems at all. You and your crew sailed through the technical set up in no time at all including precise sound checks to ensure quality. The entire show was very professional and you did a great job keeping it age appropriate and still extremely engaging, which is a fine line to walk with High School students. The age regression seemed to be hands down crowd favorite! From the crowd interaction and the amount of non-stop chatter (it has been a week and we are still hearing nothing but positive comments throughout the community) about the show. It was an amazing success. You were a major highlight to the evening! We were delighted with the booking from beginning to end, and would be pleased to make you a part of the festivities in the future!

Sincerely yours,

Pam Osborn and Chris Birdsell Co-Chairs Project Prom
